Subject: [DEC_WaterQualityStandard] DEC Human Health Criteria Technical Workgroup Meeting #2

The Alaska Department of Environmental Conservation (DEC) Division of Water will be convening the second meeting of the Human health Criteria Technical Workgroup. The purpose of the Workgroup is to review key technical issues identified by DEC related to the U.S. Environmental Protection Agency National Recommended Water Quality Criteria for the Protection of Human Health (2015). The workgroup is advisory in nature and will discuss the technical information that may affect future regulation revisions in Title 18, chapter 70 of the Alaska Administrative Code (18 AAC 70) for water quality standards. Workgroup membership is by invitation, but all meetings will be open to the public and meetings will include opportunity for public participation.

The meeting will take place via webinar on September 30, 2015 from 10 am to 12 pm. To participate in the webinar, please contact DEC_HHC_Rulemaking@alaska.gov by September 25th, 2015.

For more information about the HHC Technical Workgroup, process, and meeting documents please refer to the DEC website at: <http://dec.alaska.gov/water/FCWQS/HumanHealthCriteriaTechWG.html>.
